

The **First Name** in Turf Renovation™

HIGH-PRODUCTIVITY OVERSEEDER DETHATCHES AND OVERSEEDS IN ONE PASS.

The Ryan® Mataway Overseeder features include:

- Easy Selection, Precise Control: Heavy-duty snap out reels with 2" spacing and depth control for the results you expect.
- Seed Flow Control: Adjustable overseeder for proper turf seed flow; Clear seed tubes allow operator to check seed flow; Seed flow automatically stops when reel is raised.
- Increase productivity by dethatching and overseeding at the same time; 2" seed spacing allows 1-pass seed application.
